At the mercy of pleasure

by [MiaQc](#)

Summary

Plotless porn. Everyone is over 18.

I am Link, the Hero of Time. My body is at the mercy of pleasure provided by my beautiful lovers, Malon, Ruto and Zelda.

- A translation of [À la merci du plaisir](#) by [MiaQc](#)

I am Link. I moan as Zelda licks my cock's cap. Ruto's tongue works on my nipples. She licks one and then the other without stopping. As for Malon's tongue, I feel it in the crack of my ass.

My body trembles and is shaken to its core. It is at the mercy of pleasure provided by my beautiful lovers, Malon, Ruto and Zelda. I don't care because I love it, my beauties love it and I want more.

I signal Princess Zelda to open her mouth wide. The princess complies and I push my cock deep into her mouth. Zelda's moans excite me.

I beckon Princess Ruto to pinch my nipples with her delicate fingers. Ruto obeys me. She's always happy to obey me during sex. I moan louder and louder.

Malon, feeling what I want, puts a finger in my butt slit. I hold myself from screaming with pleasure. I am the Hero of Time and I can't wait to thrust my manly sword into my lovers' pussies. But who do I start with?
